Dear Mr. Truslow:

Reference is made to your communication concerning the Distinguished Flying Cross.

Under the present regulations governing the award of War Department decorations the Commanding Generals of the American Forces overseas are authorized to make awards of decorations to personnel serving under their commands for acts or services performed.

No confirmation has as yet been received in this office of the award of the Distinguished Flying Cross to you. However, orders announcing citations are constantly being forwarded from overseas and it is possible that a citation for the award of the Distinguished Flying Cross to you may be received at a later date.

Sincerely yours,

Charles D. Carle
