Dear Michael,

I hope this finds you, Mary Flo, and your family well and happy. Mary Ellen is in good health most of the time and I don't have any complaints.

Bob Skopier, a good friend of mine, came across this copy of "A Radio Man's World War II Experience." I enjoyed reading it and thought you might like it also. If you think it is worthwhile, pass it along to Sims, otherwise I would like to have it returned to me.

I came across "No Time At All" in a book store. As it is a book about Iowa, it brought you to mind, so I am sending it to you to place on your bookshelf. I was interested in the pictures of teams of six and eight horses working on farms. A three horse hitch is the largest I ever saw around Upstate New York.

Mike, take care of yourself and let me know the next time you come East.

Received a card from Mary yesterday that brought Jay to mind. So its God Bless, Mike.

Lorraine, this doesn't have anything to do w/our gear. Some of their procedures were different than ours. Thought it might give you some idea of the life we led while flying missions.
