

Prophecy of Benjamin Franklin in regard to the Jewish race.  
(Excerpts from the Journal of Charles Picknew of South  
Carolina, of the proceedings of the Constitutional  
Convention of 1789 regarding the statement of Benjamin  
Franklin at the Convention concerning JEWISH IMMIGRATION.)

"There is a great danger for the United States of America. This great danger is the JEW, Gentlemen, in whichever land the Jews have settled they have depressed the moral level and lowered the degree of commercial honesty. They have remained apart and unassimilated; oppressed they attempt to strangle the nations financially as in the case of Portugal and Spain.

"For more than 1700 years they have lamented their sorrowful fate, namely, that they have been driven out of their motherland; but Gentlemen, if the world should give them back today Palestine and their property, they would immediately find pressing reasons for not returning there. Why? Because they are vampires!!!!!!!; they cannot live among themselves. They must live among others who do not belong to their race.

"If they are not excluded from the United States by the Constitution within at least 100 years, they will stream into this country in such numbers that they will rule and destroy us and change our form of government for which we Americans shed our blood and sacrificed our lives, property and personal freedom. If they are not excluded within 200 years, our children will be working in the fields to feed the Jews while they remain in the counting houses, gleefully rubbing their hands.

"I warn you, Gentlemen, if you do not exclude the Jews, forever, your children and children's children will curse you in your grave. Their ideals are not those of Americans, even when they lived among us for ten generations. The leopard cannot change his spots. The Jews are a danger in this land if they are allowed to enter. They will imperil our institutions. They should be excluded by the Constitution."
